Accessing the Zoiper Classic Biz address book:.....	2
Adding a new contact:.....	2

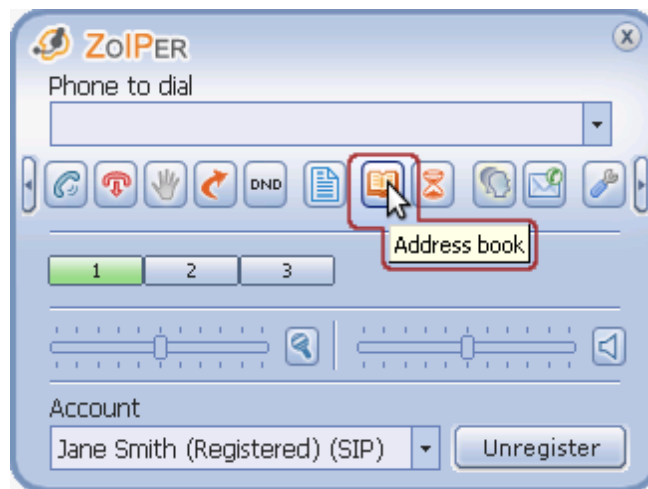

## **Zoiper Classic Biz Address book**

Add your contacts to the address book and dial faster using the quick dial list.

You can also specify which of your VoIP accounts to be used for dialing each contact.

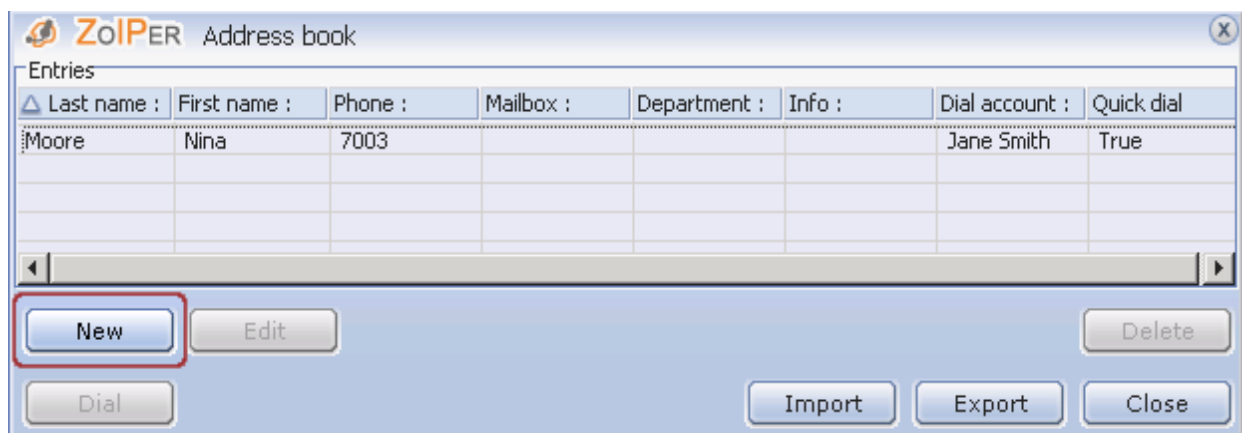

### *Accessing the Zoiper Classic Biz address book:*

Click on the Address book icon.

### *Adding a new contact:*

To add a new contact please use the “New” button.

Enter the required information in the appropriate fields.

All mandatory fields are marked with \*

You can use the “Dial account” drop-down menu to specify which one of your VoIP accounts to be used for dialing this contact.

Activate the “Quick dial” checkbox and this contact will appear in the Quick dial list.
